

The First National Congress of the Romanian Society of Bone Marrow Transplant
- Bone Marrow Transplant – A Life-Saving Treatment -
19th-21st of June, 2017, Ramada Parc Hotel, Bucharest

SCIENTIFIC PROGRAMME

Monday, 19.06.2017 (Terra Conference Hall, Ramada Parc Hotel)

17.30 – 19.00 Registration

19.00 - 21.00 Opening Ceremony: Bone Marrow Transplant - Present and Future Perspectives

Video launching: „Pathbreakers in Bone Marrow Transplant in Romania
- Success through National Collaboration –”

Speakers:

- **Assoc. prof. Alina Tănase (Romania), President of the Romanian Society of Bone Marrow Transplant**
Bone Marrow Transplant in Romania – present and future outlooks. The role of the Romanian Society of Bone Marrow Transplant in developing the Stem Cell Transplantation field
- **Assoc. prof. Diana Loreta Păun (Romania), State Counselor, Public Health Department, Romanian Presidential Administration**
The importance of developing Bone Marrow Transplant in Romania
- **Prof. Irinel Popescu (Romania), President of the Romanian Academy of Medical Sciences**
Bone marrow transplantation in Romania: the pioneering years
- **Prof. Ștefan Ciurea (USA), Honorary President of the Romanian Society of Bone Marrow Transplant**
International collaboration on Stem Cell Transplantation
- **Assoc. prof. Anca Coliță (Romania), Vice President of the Romanian Society of Bone Marrow Transplant**
Stem Cell Transplantation in pediatric patients: development projections
- **Prof. Cătălina Poiană (Romania), President of the Bucharest College of Physicians**
Human resources development, a prerequisite for enhancing Stem Cell Transplantation in Romania
- **Dr. Radu Niculescu (Romania), General Secretary of the Romanian Society of Hematology**
Multidisciplinary collaboration: hematologists and bone marrow transplant specialists, together for developing Bone Marrow Transplantation in Romania

**Special guests:**

- *Prof. Constantin Arion (Romania)*
- *Dr. Erzsebet Lazăr Benedek (Romania)*
- *Prof. Dan Coliță (Romania)*
- *Prof. Margit Șerban (Romania)*

Tuesday, 20.06.2017 (Terra Conference Hall, Ramada Parc Hotel)**08.00 – 09.00 Registration****SESSION I: Romania's Experience and Trends in Stem Cell Transplantation**

Chairperson: Assoc. prof. Alina Tănase

09.00 – 09.20 Hematopoietic Stem Cell Transplantation at Fundeni Clinical Institute - from One Transplant to 150 Transplants per Year

Assoc. prof. Alina Tănase

09.20 – 09.40 The Activity of Bone Marrow Transplant at Târgu Mureș Medical Center

Dr. Erzsebet Lazăr Benedek

09.40 – 10.00 Impact of Viral Infections on the Outcome of Allogeneic Hematopoietic Stem Cell Transplant Patients - A Single-Center Experience

Assoc. prof. Smaranda Arghirescu, Univ. ass. Andrada Opreșoni, Prof. Margit Șerban

10.00 - 10.20 Stem Cell Transplantation at Colțea Clinical Hospital - Experience of the first 3 - 5 years

Assoc. prof. Andrei Coliță, Dr. Cecilia Ghimici, Dr. Raluca Manolache, Biologist Florentina Grădinaru, Dr. Doina Barbu, Dr. Mădălina Oprea, Lecturer Silvana Angelescu, Assoc. prof. Nicoleta Berbec, Dr. Alexandra Ionete, Assoc. prof. Alina Tănase, Prof. Anca Lupu

10.20 - 10.40 Stem Cell Transplantation in Pediatric Patients – 15-year experience at Fundeni Clinical Institute

Assoc. prof. Anca Coliță, Prof. Constantin Arion

10.40 – 11.00 Coffee break

SESSION II

Chairman: Prof. Ștefan Ciurea

11.00 – 11.20 The Role of SCT for Patients with R/R HL in the Era of New Drugs

Prof. Anna Sureda

11.20 – 11.40 Haploidentical Transplants for AML - the ALWP Experience

Prof. Arnon Nagler

11.40 – 12.00 B-cell Lymphoma in the Targeted Treatment Era: Integrating Molecular and Cellular Therapy

Prof. Peter Dreger

12.00 – 12.20 Quality in transplantation - why is JACIE accreditation important?

Iris Bargalló

12.20 – 13.00 Janssen Symposium: New Targets in the Therapy of MM – Focus on CD38

Assoc. prof. Cătălin Doru Dănăilă

13.00 – 14.00 Lunch break

**SESSION III**

Chairman: Prof. Gabriel Ghiaur

14.00 -14.20 Allogeneic Transplantation: the Next Horizon

Prof. Gabriel Ghiaur

14.20 – 14.40 Future Directions in Hematopoietic Stem Cell Transplantation

Prof. Ștefan Ciurea

14.40 -15.00 Transthoracic Ultrasonography for the Follow-up of the Immunocompromised Patient

Dr. Ciprian Tomuleasa

15.00 – 15.20 Minimal Residual Disease before Stem Cell Transplantation – Important Prognostic Factor

Assoc. prof. Horia Bumbea

15.20 -15.40 Unrelated Stem Cell Transplantation at Fundeni Clinical Institute

Dr. Zsofia Varady

15.40 – 16.10 Coffee break**SESSION IV**

Chairperson: Assoc. prof. Anca Coliță

16.10 – 16.30 the National Registry of Stem Cells Volunteer Donors – Experience, new targets

Dr. Aurora Dragomirișteanu

16.30 – 16.50 Prognostic Value of PET – CT Scan before Stem Cell Transplantation

Dr. Mihaela Andreescu

16.50 – 17.10 Fundeni Stem Cell Bank – Activity and Challenges

Dr. Alexandra Ionete

17.10 – 17.30 Total Body Irradiation in Stem Cell Transplantation – Where We Stand?

Dr. Cristian Barbu

17.30 – 19.00 Releasing the Certificates of Attendance

Wednesday, 21.06.2017 (Terra Conference Hall, Ramada Parc Hotel)

Round Table: Bone Marrow Transplantation in Romania: Present and Future Perspectives

10.00 – 12.00

Health care professionals together with NGOs promote Stem Cell Donation to grow the NRHSCVD for improving Stem Cell Transplant activity in Romania
